ACADEMIC YEAR/ ANNEE ACADEMIQUE:

The academic year at the ESC Clermont is divided into two semesters. The first (FALL) semester begins in September and ends during the third week of December. The second (SPRING) semester begins in early January. Orientation days and a crash course in French will be organized for international students **before** classes begin. Details will be confirmed at a later date.

*L'année Académique à l'ESC Clermont est divisée en 2 semestres. Le premier commence début/mi-septembre et le 2e commence début/ mi-janvier. Des journées d'orientation seront proposées aux étudiants internationaux ainsi que des cours intensifs de français **avant** le début des cours. Les dates exactes seront confirmées ultérieurement.*

Semester 1 (FALL)	Semester II (SPRING)
Beginning-Sept - mid-December	Beginning January - Beginning/ end of May depending on the Programme followed

ACADEMIC ADVISORS / LES TUTEURS ACADEMIQUES:

International exchange students should contact their academic Advisor (see zones below) to advise them about their course choices and validate their learning agreement (course choice list). Changes to course choices may be accepted within the 15 days following a student's arrival. However this will be subject to the number of places available in the class and must be validated by the Advisor on the student's learning agreement before any changes can be made in the system.

Les étudiants Internationaux doivent contacter le tuteur Académique avant leur arrivée (voir tableau ci-dessous) afin de valider leurs choix de cours. Il est possible de changer les cours pendant les 15 premiers jours d'arrivée mais uniquement s'il reste un nombre suffisant de places dans le/les cours. L'accord du tuteur académique et la validation du changement sur le contrat d'études sera exigé avant toute modification.

B. Credit-Seeking Students arriving in January

Courses from the Master of Science Programs Les Programmes MSc

Study Possibilities for exchange (1 semester credit-seeking) students enrolled in the final-year of a Master's Program (Semesters 9 & 10) in their home institution arriving in January.

Possibilités de cours pour des étudiants en échange (afin d'obtenir des crédits ECTS) et qui sont inscrits en dernière année d'un programme Master (Semestres 9 & 10) dans leur institution d'origine et qui arrivent en Janvier.

The Master of Science Programs are high profile programs with a very limited number of places. Normally international credit-seeking students will not have access to courses on the MSc Program unless this is part of the exchange agreement. Furthermore access to MSc courses may only be granted by the Head of the Program following a special request from the Academic Advisor. In all cases, the following elements will be taken into consideration before access can be given:

1. Number of places available on the program
2. The student's academic profile (previous studies - Master's level only and academic excellence)
3. Previous professional experience.

Les Programmes MSC sont des programmes de haut niveau destinés aux étudiants ayant un excellent niveau académique et qui ont de préférence une ou plusieurs expériences professionnelles préalables. Les cours du MSc ont un nombre de places très limité.

Normalement, les étudiants en programme d'échange (pour obtenir des crédits ECTS) n'ont pas accès à ces cours, sauf si l'accès fait partie de l'accord d'échange signé avec l'université d'origine de l'étudiant(e). Dans tous les cas, le tuteur académique doit faire une demande préalable auprès du Responsable du Programme et les éléments suivants seront pris en compte avant de donner l'accord à l'étudiant:

1. Un nombre de places suffisants dans les cours
2. Le profil académique
3. L'expérience professionnelle de l'étudiant.

Spring Term (January - May) Courses in English

Students with professional experience who are required to complete a full two semesters of studies at Clermont as part of the requirements of their dual degree program will continue the second semester of studies following courses from one of the MSc Programs below.

Students (with professional experience), whose dual degree program does not require a second semester of studies at ESC Clermont, may still apply for a second semester of study at ESC Clermont in order to follow courses from the MSc program. However, as the Master of Science Programs are high profile programs with a very limited number of places and are not an integral part of the dual degree program requirements, an extra tuition fee of 4875 € will be applicable for the extra semester.

In all cases, the Academic Advisor and Heads of the Programs will be consulted at the time of application and will take the following elements into consideration:

1. Number of spaces available on the program
2. The student's academic profile (previous studies and academic excellence)
3. Professional experience

Un(e) étudiant(e) qui a de l'expérience professionnelle et qui doit suivre une année d'études (2 semestres d'études) à l'ESC dans le cadre de son double diplôme effectuera le 2^e semestre d'études dans l'un des programmes MSc.

Un(e) étudiant(e) en double diplôme qui n'a pas l'obligation de suivre un deuxième semestre d'études à l'ESC dans le cadre de son double diplôme peut postuler pour un 2^e semestre d'études dans l'une des programmes MSc. Si un(e) étudiant(e) est admis(e) dans un programme MSc, il/elle devra acquitter des frais de scolarité supplémentaires d'un montant de 4875 €. En effet, les MSc sont des programmes de haut niveau destinés aux étudiants ayant un excellent niveau académique et qui ont de préférence une ou plusieurs expériences professionnelles préalables. Les cours ont un nombre de places très limité.

Cette possibilité sera accordée uniquement avec l'accord du tuteur académique ET l'accord des Responsables des Programmes. Cet accord sera basé sur les éléments suivants :

1. Un nombre de places suffisants dans les cours

2. Le profil académique de l'étudiant(e).

3. L'expérience professionnelle de l'étudiant(e).
